OFFICE OF PETITIONS

In re Application of
Joseph D. Laudano et al.
Application No. 10/077,279
Filed: February 15, 2002
Attorney Docket No. 894165.0030

DECISION ACCORDING STATUS
UNDER 37 CFR 1.47(a)

This is in response to the petition filed under 37 CFR 1.47(a) on August 13, 2002 and supplemented on October 7, 2002.¹

The petition is **GRANTED**.

Petitioner has shown that non-signing inventors Albert Louis Winkler and Michael G. Manning have refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the declaration of Basam E. Nabulsi as well as copies of correspondence between the parties establishes that the inventors were personally presented with copies of the application papers but refuse to sign the declaration naming them as joint inventors along with Joseph D. Laudano and Prasad S. Sastry.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

The application is being forwarded to the Office of Initial Patent Examination to be processed in due course.

Telephone inquiries related to this decision should be directed to the undersigned Petitions Attorney at (703) 305-4497.

¹Petition filed under 37 CFR 1.147(b) but prior to the petition being treated by the USPTO, the applicant correctly filed the October 7, 2002 petition requesting status under 37 CFR 1.47(a) since two of the four inventors had signed the declaration and 37 CFR 1.47(b) would have been inappropriate.
